You can also call and place your order or ask any questions you might have, contact Rachel at Tournament wear 321-214-9557 she is more than happy to help. Attachment 2 contains the sizing charts. To determine the best size just measure one of your comfortable fishing shirts or t-shirts from arm pit to arm pit and that will provide the chest size, math that to the size chart to determine what size to order, if the measurement is in between sizes, you can choose to size up if you would like your jersey to fit looser or down for a tighter fit.
